## Spruceville

(From Our Own Correspondent)

**SPRUCEVILLE.**—The Spruceville U.F.W.A. (Progressive local) sponsored a social afternoon at the hall Friday, and 67 ladies turned out. Unusually, it was the first time that the ladies were not aware of the social until too late, but it was quite unavoidable. The short program was very well received. Mrs. Bay Carter of Ponoka spoke on "Dividends for Club Women." Lunch was served, and the afternoon closed by Mrs. Call of Spring Valley moving a vote of thanks to the Spruceville ladies.

Mrs. and Mr. John Stout, two of their sons and one daughter, all of Deer Park, Washington, are visiting around with their relations in this district. John Stout is a brother of "Red" Stout. All the visitors, Mr. and Mrs. Henry Stout, the Rice family, the Morley Bradleys and Bill Mitchells all motored out to Bluffton to visit with Mr. and Mrs. Archie Stout. Everyone around here will be glad to know that the Archie Stouts are well, and have moved into the new house that they have been building.

The Junior U.F.A. will hold a meeting at the home of Mrs. Wes Burton next Monday evening, June 20. The delegates to the Young People's Week at the University, Ted Marshall and Bert Saunders, will present their respective reports.

Mr. and Mrs. Barnes and Mr. and Mrs. Fleishman had Sunday dinner with the Parkers.

**Visitors From Scotland**  
Mr. and Mrs. Dodds of Edinburgh, Scotland, spent the day here. Mr. Howard Saunders recently. The regular meeting of the U.F.W.A. will be held next Wednesday, June 22, at the home of Mrs. Harry Proudfoot, Gull Lake. The roll call will be answered by a reply to the question, "How We Should Measure Success in Life." J. S. McCormick of Lacombe has kindly consented to address the meeting on "Laws Appertaining to Women's Interests."

Mrs. O. S. Young entertained Mr. and Mrs. English, Mr. and Mrs. Walker and Mr. L. I. Young to dinner last Sunday. The rainstorm of Monday night was very welcome, but a strip of hail wiped out a few of the gardeners around, notably Barnes' and Heald's.

Spruceville and Jackfish ball teams met on Sunday, with Jackfish the victor.

Wednesday, two cars with 12 ladies motored to Ponoka to attend the U.F.W.A. Conference for the Welaskin Constituency.

**COMPETITION FIXES PRICES TO PRODUCERS AND OIL CONSUMERS**  
Crude oil produced in one field may and does influence the price of crude oil produced in another and if any evidence of the price of crude oil produced in one field is needed, refer to the case of Alberta and Montana.

Before the tariff board, F. G. Cottle, Chief Auditor of the Alberta Board of Public Utilities Commissioners, showed how Montana production had affected the price on the Turner Valley output.

Montana oil cannot compete with Turner Valley in supplying Calgary refineries because Turner Valley is much nearer to Calgary and enjoys the advantage of lower transport costs. But Turner Valley is producing more crude than Calgary refineries can use and so has to ship part of its output east to refineries at Moose Jaw, Regina and Winnipeg.

Thus the price of the Turner Valley production in the field has to be at a level which will enable the crude to be laid down at these distant points (including freight), at prices which will be competitive with the prices at which Montana crude can be laid down. As Mr. Cottle pointed out, Montana crude cannot compete with Turner Valley crude at Calgary, but it can at other points.

Similarly Turner Valley crude actually affected the price of Montana crude right in Montana, although it never got into that state in commercial quantities. Perhaps the issue in which the prairies are most interested, is that Turner Valley producers, the pipe lines, refineries, and railways, have adjusted their operations so that western consumers are able to buy their products at substantially lower prices than would have prevailed had the Alberta fields not been developed. Producers at the same time are getting a fair price for their output.

A History of the Lacombe Golf and Country Club

By JACK McCAUGHERY  
(Continued From Last Week)

Getting away to an early start again in 1924, the Lacombe Golf Club set out on its third season with two successful years locking it up. The course was beginning to shape into its real beauty, with the fairways and greens improving rapidly, and in this year the purchase of the triplex horse-drawn mower was made.

Moves went ahead to make the new course better known, as it was arranged the following year for the interchange of playing privileges, with the Red Deer Golf and Country Club, and membership with the Alberta Country Districts Golf Association, was established. The 1929 season was drawn to a close with the financial statement showing the club out ahead for the first time.

At the fifth annual meeting on April 1, 1930, Dr. F. D. Locke was elected president, replacing P. E. McLeod, after the latter's third year in that office. A. M. Campbell was voted in as vice-president, and A. Belcher continued in the capacity of secretary-treasurer. It was decided that the executive would arrange for the erection of a shelter at a convenient location, which was made later at the number seven tee.

Plans were drawn up for the first tournament open to all amateur golfers. The event was greeted with a good attendance on July 9 and 10, with Joe Welsh of Red Deer emerging the victor in the championship, followed by first champion of the Lacombe Golf and Country Club.

## Spring Valley

(From Our Own Correspondent)

**SPRING VALLEY.**—Over sixty women representing associations of surrounding districts were the guests at the Spring Valley Auxiliary of the Women's Missionary Society of the United Church, held Wednesday, June 8, in the Spring Valley Hall. There were groups representing the Olive Women's Association, the Eclipse Associate Society and Jones Valley Ladies' Aid.

Mrs. W. N. Handall presided and Mrs. P. S. Call and Mrs. A. P. Rainforth conducted the devotional exercises. The speaker of the afternoon was Miss Hazel Hunt of Killam, who took as her theme, "A Thousand Doors of Service." She spoke more especially to busy homemakers and mothers, so many of whom feel that the usual doors of service in the cause of the Kingdom of God are closed to them.

Among others, she mentioned the door to hospitality, and spoke of the inspiration of help that can be derived from a visit to the home of a kindly, sympathetic woman. Another door mentioned was the door of Friendship—a handshake, a smile, a kind word of appreciation will be remembered and treasured for years.

Her address was listened to with close attention and Mrs. Randall, at the close, voiced the thanks of the meeting. Mrs. Ketyls of C. E. Mc, Holton, and Mrs. Waterman of Bellevue, entertained with beautiful solos during the afternoon.

Mrs. Sweet of Lacombe expressed her pleasure at being present and in her capacity as Supply Secretary for Lacombe Presbyterian, asked for an increased supply of garments for School Homes this year.

Mrs. Randall closed the meeting with prayer. Following the meeting the Spring Valley ladies served lunch, which provided an opportunity for social intercourse.

**CHRISTIAN SCIENCE**  
At all Christian Science churches next Sunday, the subject of the Lesson-Sermon will be "Is the Universe, Including Man, Evolved by Atomic Force?" One of the Scriptural quotations in the Lesson-Sermon is Psalm 148:2, "Let Israel rejoice in him that made him: let the children of Zion be joyful in their King. One of the correlative passages from the Scriptures," by Mary Baker Eddy, is: "The scientific fact that man and the universe are evolved from Spirit, and so are spiritual, is as fixed in divine Science as is the proof that mortals gain the sense of health only as they lose the sense of sin and disease" (p. 69).

The vast unexplored jungles of South America contain tribes still unknown to the civilized world.

**PLAYING POLITICS**  
A political office in a small town was vacant. The office paid \$800 a year, and there was keen competition for it. One of the candidates, Ezekiel Hicks, was a shrewd fellow, and a neat campaign fund was turned over to him. To the astonishment of "I can't account for it," said

all, however, he was defeated. gloomily. "With that money we one of the leaders of Hicks' party should have won. How did you lay it out, Ezekiel?"

"Well," said Ezekiel, "yer see that office pays only \$800 a year, and I didn't see any sense in paying \$1200 out to get the office. So I bought a little farm instead."

## Fairview

(From Our Own Correspondent)

FAIRVIEW.—The Ladies' Aid are holding their annual ice cream social on Wednesday evening, June 22. On this occasion the Pleasant Hill Players will present a three-act comedy entitled "For Pete's Sake."

The Fairview play reports a very successful evening at Lincoln last week and plan to visit Westling on Wednesday and Ferrybank on Friday.

A united service of all the points in the Morning-side pastoral charge was held at Fairview on Sunday afternoon. (Fallier report under Morning-side).

### DECORATIONS

"There's something odd about this morning," said the dictator to his chief lieutenant. "Yes—I know what it is. For the first time since I've known you you're off your model."

The lieutenant looked down at his chest.

"Great Scott!" he cried. "I forgot to take them off my pyjamas."

## Alberta Govt. Drops Appeals

(Continued from page 1)

and choices, but it would seem that the Liberal Government would certainly vote for the other opposing party on the second, so that at least one of the seats which Social Credit is counted as winning would have been lost. The two ridings chalked up to Social Credit had the smallest winning pluralities in the entire election—and hence the probability of recounts.

Premier Aberhart also noted that the Liberal Government got 45.8 per cent of the total popular vote, but 72 per cent of the seats. But he did not seem to remember that in 1935 in Alberta his party got only 34 per cent of the total vote, but 83.8 per cent of the seats. In Saskatchewan his party machine got only 15 per cent of the total vote, but 83.8 per cent of the seats. The Liberal and the C.C.F. and just ahead of the Conservatives.

Use of "Storm Troopers"

One of the features of the Social Credit campaign was the use of "Storm Troopers"—a gang of men organized as "special police" when Mr. Aberhart spoke at Melville, Sask., the night before election. These men, who were arm-bands in the same fashion as the Fascist army, but in- scribed with the words "Special Police," and who had their own "Chief of Police" dragged from the meeting five men who wanted to ask the Premier questions, and allegedly beat them and choked at least one.

It was claimed at the time that the gang had permission from the R.C.M.P. to "control" the meet- ing, but it later developed that there was no such authorization. The Saskatchewan Attorney-General announced at the week-end that action would be taken against those responsible. Mr. Aberhart watched silently from the platform while his "Special Police" dragged out the men, in- cluding five unemployed men who had gone from Calgary to demand that the three members of the Alberta Legislature's "spe- cial relief committee" be sent back to Alberta to do their jobs.

In Edmonton, the whole episode was taken as a shining ex- ample of the methods which Mr. Aberhart could be expected to adopt if he was given unques- tioned dictatorial rights in this Province, and his own police force.

Appeals Are Dropped

The Alberta Government has dropped the appeals to the Privy Council against the rights of Federal disallowance of provincial legislation. In dropping these appeals, the Alberta Gov- ernment in effect threw over- board all its bombastic claims of the past to "sovereign state" privileges in Alberta.

At the same time, in what was regarded here as an attempt at face-saving, the Premier said he wanted all the other provinces to join with him in organizing a campaign against such powers by the Federal Government and the Lieutenant-Governor. But only the day before Premier Buff of British Columbia had declared, regarding the whole situation, that Aberhart had done more than anyone to destroy the sovereign rights of provinces.

Despite the fact that Federal legislation to nationalize the Bank of Canada has already been announced, the Alberta Govern- ment last week, through Provin- cial Treasurer Solon Low, has begun an attack on the central bank, switching over from its at- tack on the chartered banks in view of the real danger of many branch banks withdrawing from Alberta. It was a diplomatic change of front, but observers here believe that its worth as propaganda for the benefit of Alberta voters will be lost. And in the meantime, Mr. Aberhart was awaiting from Prime Minister King a reply to his letter asking that the banks be not al- lowed to close their branches.

The Ottawa Citizen, which has had Social Credit leanings for years past because its editor is a disciple of Major C. B. Douglas, did not offer Aberhart much sym- pathy. Regarding the Federal Government's move to nationalize the Bank of Canada, the "Citizen" said:

"The Dominion Government's new step should strengthen con- trol of the national credit in accordance with the will of Par- liament, but there is no reason to regard it as tending to sub- stitute the state for private en- terprise in the business of com- mercial banking. Nor should it ever be necessary to compete with the private banks—they are as well managed in private hands as the Government could desire."

It was expected here, therefore, that Mr. Low's charge, delivered over the air under the name of the Social Credit Board, that the Bank of Canada is governed by "international money barons," would fall on doubling ears in Alberta.

## Morningside

(From Our Own Correspondent)

MORNINGSIDE.—Mr. and Mrs. Rich of Gadsby visited last Sun- day with their daughter, Mrs. A. C. Bowie, and Mr. Bowie.

Mrs. John Carter of the Peace River country spent a few days recently with Mr. Chester Car- ter.

We are glad to report that Mrs. F. Healing, Mr. Preston and Lloyd Shepherd, who have been on the sick list, are improving.

Joint Service Held

A number from here attended the joint service which was held at Fairview last Sunday. Rev. W. L. Wright, a former pastor, speaker of Edmonton, was the guest speaker, and preached a very in- spiring sermon. James Duncan of Lacombe, a delegate to the United Church Conference which was held in Edmonton recently, gave a splendid report of the work carried on by the United Church in this Province.

R. C. Kinley, Mrs. L. Flewelling and Miss Kathleen Sims rendered solos, and Mrs. Oelivie and her daughter Mary sang a duet. All these numbers were highly ap- preciated. A picnic lunch was served at the close of the ser- vice, under the beautiful trees around the church.

Rev. W. L. and Mrs. Wright visited with friends in Morn- ingside on Saturday.

The play, staged by the young people of Fairview last Wednes- day evening, was quite a success. It was under the able manage- ment of Mrs. Lloyd Flewelling, was well presented and very amusing. Lunch was served at the close.

## Of Interest to War Veterans

The War Veterans' Allowance Act is intended to relieve, from necessity, the veteran who is in- capable of maintaining himself.

Those eligible are veterans of the Canadian Expeditionary Forces, or Canadian South African Contingent or Allies, who were domiciled in Canada, at the time of their enlistment.

A veteran must have attained the age of 60 years, or because of physical or mental disabilities, combine with economic hard- ships, be incapable of maintaining himself. If over 60 years, he must have served in an Actual Theatre of War, or be in receipt of Disability Pension. If under 60, he must have served in an Actual Theatre of War.

The amounts payable are a maximum of \$40 to a married man, and \$20 to a single man. In addition, a married man can have an income or casual earnings of a further \$40 per month, and a single man, a maximum of \$20 per month.

There is no deduction on property in which a man is living, providing it is not valued at over \$2000.

The Act will not provide for any man who is not simply because of unemployment. He must have sufficient physical disability to prevent him maintain- ing himself.

If you feel you are entitled, apply through the Canadian Leg- ion, Provincial Command, 511 Leeson-Lincoln Block, Calgary.

## Blackfalds

(From Our Own Correspondent)

BLACKFALDS.—It was found necessary to take Mrs. Matthias to the Lacombe Hospital last Monday night, in view of the blood she had lost, her son Roy provided a blood transfusion for her. Latest reports are that she is making rapid strides toward recovery, and we soon hope to have her out with us again.

Mr. Balfour, the High School inspector for Northern Alberta, closed the whole of Tuesday in- specting the upper room of the school. The school children cele- brated the King's birthday last Thursday with a holiday.

The storm which brought so much needed rain to Northern Alberta, also supplied us with a liberal shower last Thursday, but a light frost, together with some high winds which preceded it, did a little damage to some of the more delicate garden plants, and in one or two cases some of the barley in the district was touched by the frost. We were also visited by a beautiful shower of rain on Monday; it came at a good time, as the ground was becoming badly dried out. More plentiful rains this month should assure us of a good crop this year.

We regret to report that little Wilfred McAllister is again ill with an attack of pneumonia, which he had earlier in the year. A shower was held at the home of Mrs. Will Schmidt last Friday night, in honor of Miss Margaret Wignore, whose mar- riage to Mr. Cyril Ironside is to be celebrated later in the month. Many presents were given to the prospective bride.

Miss Smith was a visitor in Edmonton over the week-end.

We regret to report that Mrs. Heenan is again very ill. She recently went to Montana on a visit to her sister, and Mr. Heenan received a wire asking him to join his wife, owing to her serious condition, and he left for Mont- ana immediately.

## Modern Woodmen Attend Church In Body

Approximately forty members of the Lacombe Camp of the Modern Woodmen of America joined in a church parade to St. Andrew's Church on Sunday evening, June 12. Rev. A. L. Carr preached from the text in Isaiah 32:2: "A man shall be as an hiding place from the wind" as the shadow of a great rock in a weary land," and felt that in their work of caring for the needy, the sick and the dying, this organization might well be compared to the text.

**SUNNY CREST**—Mr. and Mrs. Lester Barr and Sid Terry motored to Rocky Mountain House last Sunday. We were glad to see Grandma Moore out to church service last Sunday. She has not been able to attend very much since her fall one year ago.

Mr. McNeill is having his home stuccoed and has had a nice porch built by Mr. Coxson on the east side. We hear Miss Frankie Caine has been to Red Deer for her music examinations. Good luck, Frankie. We hope you rate high marks.

A very large white bird, resembling a large sea gull, was seen on the Woods farm recently. It had a wing spread of over 2 1/2 feet and was eating dead goats. Could it have been an albatross?

Sunny Crest Sunday School is planning a "Get-together," to be held around a bonfire at McLaurin Beach on June 29, and perhaps a surprise is in store for those who attend.
